

OFFICIAL 2023 ENTRY FORM

The Annual Mount Holly Calendar Competition & Janet Warren Juried Show

Deadline: Monday, September 25, 2023

All photos entered must be photos taken in Mount Holly. All photos submitted to this competition will be displayed in the Mount Holly Community Room just prior to and during the town's Cider Days celebration October 7th and 8th, 2023. First, a panel of judges will jury the show and determine (in its opinion) the most noteworthy photos. This judging, **dedicated to the late Janet Warren, originator of the Mount Holly calendar**, will take place prior to Cider Days. But the photos that actually make it into the 2025 Mount Holly calendar will be decided by public balloting during Cider Days itself. Each photo entry has an equal chance of winning a place in the calendar. The competition is open to everyone, resident or non-resident. Entrants can submit up to three photos, in standard 8x10, unmounted and unframed format.

Each photo submitted must be accompanied by an entry form.

Cut along this line and submit lower portion with your photo

(Please print clearly. If we can't read what you've written we can't process your entry)
